Reassessment Update

New Castle County appreciates the Delaware Court of Chancery's thoughtful and expedited consideration of this matter. We are pleased that the Court agreed with the County's position and found in its favor. Our team is working diligently to determine how quickly new bills can be sent to property owners. A notice will be included providing taxpayers with notice of any reclassification and a description of the new policy for disputing reclassifications. Our focus remains on ensuring a fair, transparent, and equitable property tax system that serves all County residents.

If you have any questions or if you need help figuring out your tax bill, feel free to call my office, and we'll walk you through it. For residential properties in the Christina School District, this will reduce your school tax bill.

Please see below for an update about the Court of Chancery's decision. The full decision can be read here:
