

## BULK TRASH REMOVAL AT FOUNTAINVIEW

**Bulk Trash Removal** Is this a picture of the result of a “midnight trash dump”? If you see an outsider dumping trash or bulk items in our dumpster area, please call 911 and report an illegal trash dump by non-residents.

If this is a picture of bulk items left by a resident, we hope that they called the City of Newark to arrange for the item(s) to be picked up. Our regular trash pickup will not remove the items. You have to call for bulk trash removal.

How do I get bulk items picked up? Call the Public Works Department at (302) 366-7000 and the next available date for bulk collection will be scheduled.

What type of bulk items are collected? Appliances, furniture, hot water heaters, mattresses, etc. Hazardous Materials will not be accepted. Mattresses must be encased in a plastic mattress cover. They can be purchased at Lowes for \$10-\$12.

How many bulk items can be disposed of at once? Four (4) items may be scheduled per bulk pickup, at no charge.

When and where do I place the items for bulk collection? The items need to be placed at one of the dumpster enclosures prior to 7:00 a.m. the day of the scheduled pickup or, at the earliest, 6:00 p.m. the night before.
